In the Light of the Beholder

*St. Mary's Towers
Guided retreat*

26 Oct - 3 Nov, 2020

This year's retreat revises and continues where last year's retreat, "I hold you, I see you, God enfolding us in love" led us to. We once again enter through the doorway of prayer. We begin with deep faith and generosity; faith that God wants to communicate very personally with us; generosity to be totally open to God moving within us, regardless of where we have been in life, no matter how closed we may have been in the past.

Let God be the story of our lives, with all life's joys and blessings, shadows and losses....as God tells it!

Being beheld in God's wondrous light can offer us much inspiration and nourishment for our own journeys of the heart. During this retreat we will ponder such things as, what are our deepest longings? what are our true desires? where are those places where we need to trust?

We will use some of the wisdom of the early mystics as our guides.

We will visit places of shadow in our prayer experiences and how this shadow can really be the light of Christ beholding us with such tender love.

*This guided retreat will be 'time-out' to explore the possibilities of living a new life in the Trinity of love, allowing God, in our prayer, to reveal to us just **how God is experiencing** the experience of my life. The love with which God desires to 'be' in, through and with us through the varied circumstances of our daily lives.*

There will be a morning reflection each day and the opportunity to share with a spiritual companion.
